

How many times have you taken stuff from your office?

Paper, coffee ...

Have you ever destroyed important documents by accident?

Spilled your coffee, put them into a shredder, ...

How many times have you been called on the carpet?

What was the reason?

Have you ever damaged office equipment on purpose?

What was it? Did you get angry?

How many times have you lied about the reasons for being late?

Which one is your favourite?

What has been your most embarrassing moment at work, so far?

Have you ever lied at the job interview about your CV?

Which facts did you tart up?

Have you ever had an affair with a colleague from work?

Do you know anyone who has?

Have you ever got a virus on a company computer, because you were visiting certain sites?  
What happened?

Have you ever secretly smoked in the office?  
Have you been caught?

How many times have you forgotten crucial passwords?  
What happened?

Have you ever been caught rudely gossiping about your boss or workmates?  
What was the gossip?

How many times have you fallen asleep in a meeting?  
What were the consequences?

How many times have you sent confidential info to the wrong person?  
What were the consequences?

Have you been thinking about changing your job?  
Have you told your boss?

Have you ever played a hoax on colleagues?  
How did it go?
